What you need to open this account

Minimum Initial Deposit to Open Account	\$2,500 New Money
-----------------------------------------	-------------------

<u>Maximum Opening Amount and Maximum Daily Balance during rate guarantee period.</u> You may <u>not</u> have on deposit more than the maximum daily balance as disclosed above during the promotional rate period. There are no maximum balance limits after the fixed rate guarantee period.	50,000.00
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------

Initial deposit must be new money. Transfers from existing Gibraltar Bank accounts excluded. New Money is defined as funds not previously on deposit with Gibraltar in the past 30 days. Funds withdrawn from existing accounts at Gibraltar and re-deposited within 30 days of withdrawal are NOT considered new money. In determining if funds are being re-deposited to the Bank, Gibraltar may aggregate withdrawals within the past 30 days that are: not payable to a third party, or payable to the account of the accountholder at another financial institution, or in cash. EFT, ACH, ATM, or cashier check to the accountholder.

New Money Exception. Red Carpet Statement Savings can serve as a linked account. At the discretion and authorization of a Bank manager, when opened for the purpose of serving as an eligible linked account, these may be opened with funds transferred from a matured Time account (personal CD or IRA) during the matured account's grace period. Minimum balance requirement to retain linked account eligibility is specified in the disclosure of terms of the account benefiting from this account's linked status.

Account-Specific Fees

Monthly Account Service Fee (Waived first statement cycle from account opening)	\$ 4.00
Minimum Daily Balance to avoid Monthly Account Service Fee.	\$ 1,000.00

You must maintain a minimum Balance in your account each day to avoid a monthly account service fee. If on any given day of the month, your balance falls below the minimum balance, you will be charged for that cycle.

Interest and The Annual Percentage Yield (APY)

Initial rate. You will be paid the initial rate published in the rate sheet at time of account opening on all tiers for a guaranteed period of time (up until "the Fixed thru date") as disclosed in the current rate sheet at time of account opening, but for no less than one month.

<u>Minimum Daily Balance to Obtain APY during fixed rate guarantee</u>	2,500.00
------------------------------------------------------------------------	-----------------

After the rate guarantee period, the interest rate for your account will become variable and at our discretion, we may change the interest rate on this account at any time without notice ("Variable Rate after Rate Guarantee"). The interest rate for your account will not be less than the rate paid on the Gibraltar regular statement savings account for same earning balance.

This is a Tiered-rate Account. The entire Current Principal Balance earns at the interest rate of the tier it falls within. This account has three Tiers: \$2,500.00 - \$9,999.99; \$10,000 - \$24,999.99; \$25,000 and up. The highest Tier earns the highest APY for this account.

See the current rate sheet for rates currently being paid for each Tier and the corresponding APYs.

<u>Minimum Daily Balance to Obtain MAXIMUM APY, following fixed rate guarantee period</u>	25,000.00
<u>Minimum Daily Balance to Obtain MINIMUM APY, following fixed rate guarantee period</u>	2,500.00

The APY assumes interest will remain on deposit until maturity. A withdrawal of interest will reduce earnings.

Interest Computation. Interest accrues daily. We use the daily balance method to calculate interest on your account, which applies a daily periodic rate to the Principal in the account each day. Each day, the rate used on this Tiered account is dependent on the entire current principal balance of the account: the dollar range (Tier) it falls in, which has an associated rate. We apply a factor of 365/365 to the interest rate (366/365 for leap years). This account will not accrue interest on a balance that falls below the minimum daily balance of the lowest balanced Tier (the required minimum balance to accrue). Interest will not accrue on days where the minimum balance falls below the required minimum balance to accrue. Interest begins to accrue on the same business day you deposit cash and non-cash items (i.e. checks). If you close your account before interest is credited, you will forfeit the interest accrued for the cycle.

<u>Minimum Daily Principal Balance Required to Accrue</u>	2,500.00
<u>Minimum Daily Balance to accrue using a daily periodic rate corresponding to the MAXIMUM APY</u>	25,000.00
<u>Minimum Daily Balance to accrue using a daily periodic rate corresponding to the MINIMUM APY</u>	2,500.00

For illustrative purposes the following example uses a three Tier account: Tier-1 is \$2,500-\$9,999.99 (minimum daily balance for Tier-1 is \$2,500) for a rate of 1.69% and 1.70% APY; Tier-2 is \$10,000 - \$24,999.99 (minimum daily balance for Tier-2 is \$10,000) for a rate of 2.06% and 2.08% APY; and Tier-3 is \$25,000.00 and up (minimum daily balance for Tier-3 is \$25,000) for a rate of 2.28% and 2.30% APY; On a \$24,000 current principal balance, the entire \$24,000 will accrue at the 2.06% rate for a 2.08% APY.

<u>Frequency in which Interest compounds and is credited</u>	Monthly
--------------------------------------------------------------	---------

Account-Specific Features, Limitations, and Other

Qualifying Direct Deposit required. You must set up an eligible direct deposit to your account within 45 days of account opening. An existing eligible direct deposit to another Gibraltar account meets the Red Carpet Savings account Direct Deposit requirement. Eligible direct deposit payments include Payroll, re-occurring government payments such as Social Security, or a minimum of \$1,000 automatically transferred from another financial institution on a regular monthly basis. A two month lapse in posting a Qualifying Direct Deposit to this account may result in the account being converted to a Regular Statement Savings Account without further notice.

Federal regulation limits the number of "convenient" transfers and withdrawals to six (6) during a statement cycle. You may make no more than six (6) transfers / withdrawals 1) to another account (including a transaction account) held by you at Gibraltar Bank or at another financial institution or 2) payable to a third party by means of: draft; debit card, or similar order {includes POS, signature or PIN based, and other electronic funds transfers (EFT) }; telephonic (including data transmission) agreement, order or instruction; or preauthorized or automatic transfer, via automated clearing house (ACH) or any other arrangement {ie Online Banking Transfer} whether oral or written instruction, at a predetermined time or on a fixed schedule. You may be charged a per item fee for every item that exceeds the six allowed "limited" transactions.

You may make an unlimited number of withdrawals, payable to you, when: made in person at any of our branch offices; made at an ATM (automated teller machine); or requested by mail, messenger / courier service, facsimile, or by telephone provided the request will be filled by check payable to you and delivered to you by mail. These transactions will not be included in the count of transactions limited by regulation, nor will electronic or draft payments from your account to a loan originated or serviced by Gibraltar Bank.

If you exceed the regulatory limits and we contact you and you continue to exceed them, we may without further notice, convert your account to a NOW, demand deposit (checking) account, or Passbook savings account, as applicable, and you will receive notice of our action which will include a disclosure of the new account's terms or we may close your account and mail you a check for the balance and interest accrued as of the date the account is closed.

Requires timely review of the Account Statement for Unauthorized Use or Errors.

Monthly Statements. We will send you monthly statements reflecting account activity, service charges and interest earned, if any. You have 10 days from the time we mail your statement to you to notify us of any errors, forgeries or alterations. See the Electronic Funds Transfer Disclosure for error handling on these items.

Where there is differing language or contradictory terms in other documents relating to this account, the terms detailed in this document govern. This account is also subject to: General Terms for Deposit Accounts, Privacy Notice, Fee Schedule. The Electronic Funds Transfer Act Disclosure and Gibraltar Statement Savings account disclosure must also be provided at account opening. The Effective rate sheet is made part of these disclosures.
