

COMMUNITY BANK PARTNERSHIP PROGRAM

Gibraltar Bank is pleased to offer a Partnership Program to Community Service Employees.

In recognition and gratitude of those who serve our communities each and every day, any teacher, policeman, firefighter or EMS personnel living and working in New Jersey will receive special consideration including:

- **An interest rate 1/8 of 1% lower on our portfolio loans including home equity loans**
- **No origination Fee on any loan**
- **No minimum balance fees on Savings Accounts**
- **Totally Free Checking**

**With our great rates and customer service, we want to say
"Thank You" for your service.**

In an effort to give back to those who work every day to improve our communities, Gibraltar Bank is offering this program for the purchase of a new home or to refinance.

At Gibraltar Bank, we strive to give back to the individuals who help improve our communities every day, by offering a qualified mortgage product to help them achieve their dreams of homeownership, without the burden of a large down payment. Also, depending on the specific loan request, we may be able to contribute to third party closing costs as well.

In this ever-changing mortgage environment, it is important for first-time and returning homebuyers to have options. The Community Bank Partnership Program is meant to provide a unique lending option for those who work to improve the overall safety and well-being of those residing in New Jersey.

At Gibraltar Bank, we are more than just a bank or mortgage lender. We are a partner that is committed to help those who protect and serve our communities.

Community service employees who are interested in this mortgage loan product are encouraged to contact Gibraltar Bank. To contact Gibraltar Bank for more information, call 973-515-0885, option 2.
